Olaf Hajek is one of the world's most successful illustrators. His colorful work is infused with a folkloristic naivety and freshness and can be seen in publications such as The New York Times, in advertisements for companies such as Bacardi and even on postage stamps. Despite the diversity of his clientele, Hajek makes no aesthetic

compromises. His characteristic style of “magic realism” is what makes his work appealing to a broad audience and range of clients. Flowerhead is Olaf Hajek’s first monograph. It presents an extensive collection of his commercial work as well as personal art that he created exclusively for the book.

## 书评

雖則我很喜歡olaf，但平心以論，flowerhead由作品選材，印刷製作，什至紙張的選材都似乎在一個極為倉促的情況底下拍版生產。。
