书评

Today we reconsecrate our country to long-cherished ideals in a suddenly changed civilization. In every land there are always at work forces that drive men apart and forces that draw men together. In our personal ambitions we are individualists. But in our see...

-----  
There is another ground for the adoption of the veto principle. which had probably

more influence in recommending it to the Convention than any other. I refer to the security which it gives to the just and equitable action of the Leg-islature upon all parts ...
