Once an inexpensive gift often given away, Depression glass is one of today's most sought after collectible.

This essential guide gives collectors current market values for more than 10,000 items that often carry sentimental, as well as financial value. This comprehensive guide delivers double the photos as previous editions, as the most specific identification process of any guide on the market today. In this book, expert and beginning glass collectors will find:

1,000 detailed color photos and line drawings of 170 patterns help with identification and pattern recognition

Background information to help collectors to savvy sellers and buyers in the more than 7,000 daily eBay auctions devoted to Depression glass

A library showcasing the evolution of plate shapes over the years
