Twin brothers, Shawn and Sam, aren't your typical kids - sure, their dark moodiness and deep dedication to metal isn't that unusual but their mysterious parentage sure is! Empowered by the legendary sword of Atoll, these kids are determined to thrash and wail on however many demons they have to in order to fulfill the ancient prophecy and regain their rightful position as Hell Baron of the Pit. Loud, fast and heavy like the music it is inspired by, "Black Metal" ties into the youth culture that has grown up around this ferocious sound. Then infused with a shot of ancient myth and a healthy dose of high adventure, it rises to the level of a truly epic tale.
