For those times when you blackguard!” just won’ t do, Sinister Wisdom supplies an amazing array of crude, vulgar, offensive, scurrilous, lewd, and otherwise unprintable denunciations. Organized thematically and translated into more than 69 languages, it contains an alphabetical listing of every conceivable (and inconceivable) slur and insult, from comments on mothers' peculiar anatomy and hobbies, to suggestions on where to go and how, to observations on how others spend their solitary moments. Appendices cover blasphemies, bodily functions, sexual deviations, and variations on yo mama!”
