评论
读多少遍都是不喜欢这个故事。
Pinter's laconic, monosyllabic barbs derive their pressure, their paradoxical suggestion

of ceremony, from riches discarded or spurned, but once felt. (Steiner, 1975)
和homecoming一样有个话多的老人,最后也是让人想落泪的。
Shakespeare & Co.购,品特一贯的碎碎念,令人捧腹又惊惧的黑色喜剧。一仆二主。
书评
The entire play is on power, within this really small, strange house. Davies, are you here for the caretaking, or is someone taking care of your stumbling fear?
