装帧:Hardcover

isbn:9781416049975

Gain fast, easy visual access to the problems most often encountered in practice! This resource combines hundreds of exquisite Netter images including several new paintings created especially for this book - with concise summaries of the most current medical thinking on common diseases/conditions, diagnostics, treatments, and protocols - for a single easy-to-use quick-reference guide. Instructive and memorable Netter plates provide a rich visual understanding of every concept. The result is a superb source for ongoing clinical reference as well as patient and staff education.
