著者:Henry McBride

出版者:Yale University Press

出版时间:1997-09-23

装帧:Paperback

isbn:9780300069976

"A wonderful collection of short pieces -- gossipy, chatty, full of overheard conversations, unexpectedly sharp judgments, remarkable predictions. During his lifetime, Henry McBride was the best known and most widely read American art critic, and reading *The Flow of Art* you can see why. Never doctrinaire or solemn, he managed to write in such a way that the widest audience -- artists, curators, collectors, people with a broad interest in the arts and even the general public, with its marginal interest could find something in him.... (He) is one of that small band who have made art criticism a branch of literature". -- Sanford Schwartz, *The New Republic* "Important for the history of criticism in America and the personal and sometimes gossipy descriptions of the artist involved". -- Choice
