This volume is an attempt to engage the writing of Muriel Spark in a sustained theoretical reading. It has a particular emphasis on gender, psychoanalysis, postcolonial and deconstructive reading strategies. Drawing together a range of significant names in the field of contemporary literature and critical theory (including Judith Roof, Susan Sellers, Bryan Cheyette, Patricia Duncker, Nicholas Royle, Willy Maley, Julian Wolfreys, and Helene Cixous) this collection of essays deals with the full range of Spark's literary output. It concludes with a new interview with Muriel Spark.
