Shopping and F***ing is...Falling in love with your best friend - if you can get the right mix of Es and whizz...Passion buried beneath layers of bubble and wrap and cellophane A world where microwaves are the only source of heat A place where Shopping is sexy and F***ing is a job...And if you killed someone what would it feel like? Or maybe there are no feelings left...Shopping and F***ing is a witty and shocking look at a corrosive disposable world whose values have been determined by a disinherited generation.SHOPPING AND FUCKING: "is a darkly humorous play for today's twenty-somethings ...a real coup de theatre" - Nicholas de Jongh, Evening Standard
