DotNetNuke creator Shaun Walker leads this superlative author team of MVPs while delivering the latest update of a bestseller. They offer complete coverage of the major revisions to DotNetNuke 5, such as more granular administration, widgets, XHTML compliance, improved social networking, workflow, and better content management.

They thoroughly cover installing, configuring, administering, and developing modules for DotNetNuke. Youll learn portal and host administration, configuration in a hosted environment, developing and working with modules, designing a DotNetNuke portal with skins, integrating workflow in DotNetNuke, using DotNetNuke social networking tools, and much more.
