Set in Boston at the end of the First World War, bestselling author Dennis Lehane's extraordinary eighth novel unflinchingly captures the political and social unrest of a nation caught at the crossroads where past meets future. Filled with a cast of richly drawn, unforgettable characters, *The Given Day* tells the story of two families—one black, one white—swept up in a maelstrom of revolutionaries and anarchists, immigrants and ward bosses, Brahmins and ordinary citizens, all engaged in a battle for survival and power. Coursing through the pivotal events of a turbulent epoch, it explores the crippling violence and irrepressible exuberance of a country at war with, and in the thrall of, itself.
