Beautiful/Decay was founded by Amir H. Fallah in 1996 as a black and white, self-published Xeroxed 'zine, when Fallah was still in high school. The publication

was born during the explosion of ‘zines during the mid-90’ s, and firmly rooted in punk rock-DIY-creative culture. The nascent labor of love covered all facets of emerging graffiti, art & culture as a way for Fallah to “pass the time” in his suburban neighborhood, and discover and connect with other likeminded artists. The twenty page ‘zine was sold for just one dollar (and wholesaled for fifty cents!) in Virginia and the surrounding D.C. area, with only 3 issues—limited to a run of 100 issues each—ever made.

我怎么觉得构图越看越像Beardsley……（掩面

很惊喜

非常有风格的作品 很棒的扭曲~

我第一次看画看到觉得背后一片凉。。。

巴洛克

加藤彩作品。当初看的时候感到非常以外，因为印象中她的作品都色彩绚烂到近乎惨烈。而这部画集，却主要以暗色调居多。

喜欢她7年了

既可以强烈的色彩冲击又能灰暗的诡异美丽。

浮世绘

真的好喜欢这样的风格！

在哪里买可以买到啊？~~~~~
