Ethics: Contemporary Readings is designed to lead any student into the subject and does so through carefully selected classic and contemporary articles. The book includes articles by the leading figures in the field and provides an excellent entry to the topic. The book complements Harry Gensler's Ethics: A Contemporary Introduction (Routledge 1998). Articles are arranged under the following headings:

- Initial Approaches to Morality
- Further Approaches to Morality
- Ethical Methodology

- Normative Theory
- Applied Ethics
