WHO DO YOU WANT TO BE TODAY?

Your classic sheath is charming; your sweetest frock is disarming. Are you an international woman of mystery or the girl next door? Sometimes all it takes to

transform your style is a pair of ballet flats and a raffia tote, and suddenly, the downtown hipster becomes a mademoiselle from Marseilles.

The key to style is confidence. And the secret to being confident is being prepared.

Eric Daman believes that style is fluid—and that it should be fun. In *You Know You Want It*, he'll teach you to be unforgettable.

You'll learn how to:

Stop wearing it and start owning it
Enjoy snappy trends while staying true to your signature style
Indulge your mood today and change your look tomorrow

With hundreds of chic photos, ingenious ideas, insider tips, and above all, gorgeous clothes for every budget, *You Know You Want It* will grant you your fashion happily ever after.
