Men Talk draws on rich conversational material from a wide range of contexts to illuminate our understanding of men and masculinities at the turn of the millennium.

Draws on rich conversational material to illuminate our understanding of men and masculinities at the turn of the millennium.

Collects data from a wide range of conversations, including garage mechanics on a break, carpenters at the pub after work, and university academics chatting after hours.

Focuses on stories, which occur within all-male conversations.

Makes a distinctive contribution to our understanding of the intersection of language and masculinity.
