The timeless tale of an old miser who must face Ghosts of Christmas Past, Present, and Yet-to-Come, is re-imagined by cinematic visionary Robert Zemeckis. The three Ghosts remind Scrooge of the man he once used to be, the cold truth of who he is today, and what will happen if Scrooge does not strive to be a better man for tomorrow! Set during the holidays, A Christmas Carol is sure to stand out as a classic holiday film for years to come.
