In it's new 45-minute format, Countdown continues to draw audiences that show unprecedented dedication to the show. The first face to appear on Channel Four was Richard Whiteley's and, over 3,250 episodes later, the show is still appointment television at its most addictive. It's time to challenge yourself again! In this third volume of Countdown puzzles, created by the show's producers Michael Wylie and Damian Eadie the challenge just gets harder. Once again there are three letters games, a numbers game and a conundrum on every page to play with friends and fellow Countdown enthusiasts against the clock, or just use it to practice and hone your Countdown know-how. Still in its handy pocket-sized format, The Countdown Puzzle Book 3 is designed to travel with you, wherever you go.
