This book demonstrates how women can inspire, influence, and help their husbands move in positive directions. Replacing your plan of action with God's leads to a marital transformation where both partners are moving in sync, the way God intended. Gary Thomas draws concepts from his bestseller, *Sacred Marriage*, and outlines practical applications you can start using today. He also shows how marriages were transformed through these methods employed by real-life women. In these pages, you'll also find a fresh perspective to help you understand your husband: the view of the marriage relationship through a man's eyes. Thomas gives you insider information on how men think, feel, and can truly be motivated.
