Make It Fast, Cook It Slow is the first cookbook from Stephanie O'Dea, the extremely popular slow cooking blogger: affordable, delicious, nutritious, and gluten-free recipes to delight the entire family. In December 2007, Stephanie O'Dea made a New Year's resolution: she'd use her slow cooker every single day for an entire year, and write about it on her very popular blog. The result: more than three million visitors, and more than 300 fabulous, easy-to-make, family-pleasing recipes, including: Breakfast Risotto Vietnamese Roast Chicken Tomatoes and Goat Cheese with Balsamic Cranberry Syrup Falafel Philly Cheesesteaks Crème Brûlée --and much more. Make It Fast, Cook It Slow is the perfect cookbook for easy, quick prep, inexpensive ingredients,

and meals that taste like you spent hours at the stove.
