装帧:Paperback

isbn:9780133816334

Appropriate for undergraduate courses in Comparative Economics, World Economic

History, European Studies, and Interdisciplinary Seminars focusing on societal development. \* The text maintains a unique interdisciplinary approach that emphasizes the fluid, evolutionary nature of economics, while presenting additional aspects of economies not usually addressed in similar books. \* While integrating economic thought with economic history, it provides an alternative for students and teachers who wish to explore the variations of "mixed market economy" across countries.
