A seasoned television professional—the host of the top-rated KEY News morning show—Eliza Blake has reported on tragedies many times from behind the anchor's desk . . . and she has survived devastating crises of her own. But only now is she learning the true meaning of terror when her seven-year-old daughter, Janie, is kidnapped from summer camp. Forced to suffer through a mother's worst nightmare in the glare of the camera lights, Eliza finds herself trapped in a media circus as the police and FBI explore every avenue . . . and every lead winds up at a dead end. But Eliza isn't going to just sit around and wait for answers—because every minute wasted in the desperate race to reveal the shocking motives of a ruthless abductor brings a frightened little girl one minute closer to her death.
