

Scots

[Scots_ 下载链接1](#)

著者: Billy Kay

出版者: Mainstream Publishing

出版时间: 2006-03-02

装帧: Paperback

isbn: 9781845960520

In this revised edition of a classic of contemporary Scottish culture, Kay vigorously renews the social, cultural and political debate on Scotland's linguistic future. He compares Scots with other European lesser-used languages, and celebrates its survival in its various dialects, literature and song.
