Base Your Next Website on XHTML. Newly expanded with 10 chapters of bonus coverage, "Mastering XHTML Premium Edition" is a complete guide to the mark-up language that is leading the world of web development. This book ensures you won't be left behind, teaching you step by step how to convert existing HTML sites to XHTML

and how to build sites from scratch using new specs. It's a great way to hone your current skills and acquire new ones. Coverage includes: the basics of XHTML; XHTML structure and form; accommodating different browsers; linking XHTML documents; placing images; controlling layout with tables and frames; converting HTML to XHTML; saving time and effort with Cascading Style Sheets; including JavaScript in your XHTML pages; using data-collection forms; adding multimedia effects to your web pages; developing a coherent website; the XHTML document life cycle; publishing your XHTML documents; validating your XHTML; generating XHTML from a database; understanding the relationship between XHTML and XML; and choosing a development tool.
