If you have ever been lucky enough to hear great jazz, then you will understand the pure magic of this book. Leo and Diane Dillon use bright colors and musical patterns that make music skip off the page in this toe-tapping homage to many jazz greats.

From Miles Davis and Charlie Parker to Ella Fitzgerald, here is a dream team sure to knock your socks off. Learn about this popular music form and read a biography of each player pictured-and then hear each instrument play on a specially produced CD. What's the featured song? "Jazz on a Saturday Night," written and recorded to accompany this book.
