Ephraim Katz's The Film Encyclopedia is the most comprehensive single-volume encyclopedia on film and is considered the undisputed bible of the film industry. Completely revised and updated, this sixth edition features more than 7,500 A-Z entries on the artistic, technical, and commercial aspects of moviemaking, including:

Directors, producers, actors, screenwriters, and cinematographers
Styles, genres, and schools of filmmaking
Motion picture studios and film centers
Film-related organizations and events
Industry jargon and technical terms
Inventions, inventors, and equipment
And much more!
