出版者:Douglas & McIntyre

出版时间:2010-08-01

装帧:Paperback

isbn:9781553654452

A beautifully designed review of Canada's most constantly inventive architectural landscape. Serves as both an insightful review of the city's contemporary architecture, and a fascinating guidebook for visitors. Illustrated with 160 full-colour photographs and 40 architects' drawings, and accompanied by critical writings that position Vancouver in the broader context of urban development.
