For countless adolescents across America who came of age in the early 1970s, Marcia Brady, eldest daughter on television's The Brady Bunch , was the ideal American teenager. But what viewers didn't know about the always sunny, always perfect Marcia was that Maureen McCormick, the young actress who portrayed her, was living a very different—and not-so-wonderful—life. In Here's the Story , Maureen takes us behind the scenes of America's favorite television family—and reveals with poignancy and candor how she landed on the dark side, caught up in a fast-paced, drug-fueled, star-studded Hollywood nightmare that led to the biggest, most important battle of her life. This brave, hard-hitting memoir exposes a side of a beloved pop-culture icon the paparazzi missed. Yet ultimately it is also a story of success and survival—an empowering, engaging, shocking, and emotional true tale of a young woman's lifelong battle to come to terms with the idea of perfection...and with herself.
