Reeling from the loss of her mother, plagued with a bad case of writer's block (and don't even talk about those extra twenty pounds), Renata DeChavannes feels as though everything is just plain wrong. And that was before the tabloids caught her sweetheart, filmmaker Ferg Lauderdale, sharing an intimate squeeze with Hollywood's hottest young tamale. But the granddaughter of the formidable Honora DeChavannes possesses more hell than belle in her backbone—and she's about to reclaim it. Heading south to Honora's home on the Gulf Coast, Renata is determined to stop feeling like a wilted gardenia and emerge as the unstoppable kudzu her beloved grandmother proudly proclaimed she would be. But for that to happen Renata's got to face some not-so-genteel ghosts from her past, discover the truth about the mother she desperately misses, and make peace with the first man who abandoned her and broke her heart: her handsome and distant father.
