Style supremo and every woman's best friend, Gok Wan knows how important it is for a woman to look and feel her best. In his fantastic new style bible Gok breathes new life into your existing wardrobe, showing you how to transform the basics we all have into a fabulous new look. You will love your look without breaking the bank balance. We all want to look and feel great, and clothes are a great way to give you that instant confidence boost. But how can you do this without spending a fortune? Simple! Throw open those closet doors, ransack those rails and let Gok turn your wardrobe war zone into a style sanctuary. In his new book Gok takes you back to basics, showing you how to create a brilliantly hard-working wardrobe that you'll use every day of your life and

still look amazing. He'll give you the confidence to create fresh new looks from the classics you already have, showing you the different outfit combinations you can create and how to wear those fashion foundations in a new fabulously stylish way. And because we all need to treat ourselves now and again, he'll show you when to invest in those simple style statements that never go out of fashion. We all know that a crisp white shirt looks great at the office, but let Gok show you how to dress it down at the weekend for that casual-chic look. By guiding you through each basic in turn, from the little black dress to those comfy jeans, your wardrobe will instantly become more versatile and you'll be able to update your look every season without breaking the bank on a whole new set of clothes. Packed with Gok's trademark advice on shopping for your shape, his golden rules and hints on what to avoid, plus a whole section on how to put the finishing touches to outfits with some classic beauty looks, this book will be your very own one-to-one personal styling session with Gok. No longer will you fret over what to wear in the morning, nor will you spend hours (and loads of cash) traipsing around the shops. Your wardrobe will work for you so you'll enjoy getting ready as much as going out!

以前一直很喜欢GW的时装节目，直到发现喜欢他完全是因为腐国的服装节与亚洲比起来实在是太土太落后了。
