

# Tahitians

[Tahitians\\_ 下载链接1](#)

著者:Robert I. Levy

出版者:University Of Chicago Press

出版时间:1975-08-15

装帧:Paperback

isbn:9780226476070

This seminal work in several fields--person-centered anthropology, comparative psychology, and social history--documents the inner life of the Tahitians with sensitivity and insight. At the same time Levy reveals the ways in which private and public worlds interact. "Tahitians "is an ethnography focused on private but culturally organized behavior resulting in a wealth of material for the understanding of the interaction among historical, cultural, and personal spheres.

"This is a unique addition to anthropological literature. . . . No review could substitute for reading it."--Margaret Mead, " American Anthropologist "
