1899. Part One of Two. With portraits and facsimiles. Collection of correspondence between the two noted English poets who met and married. Note: In considering the question of publishing these letters, which are all that ever passed between my father and mother, for after their marriage they were never separated, it seemed to me that my only alternatives were to allow them to be published or to destroy them. They are printed exactly as the original appears. See other titles by this author available from Kessinger Publishing. Other volumes in this set are ISBN(s): 141790528X.
