A new edition of the classic illustrated storybook, ideal for children just beginning to read on their own. A simple illustrated story of a baby bird's journey to find his mother.

Children who have just started to read on their own will love following the baby bird on his quest as he asks everyone and everything that he meets 'Are You My Mother?' Beginner Books are designed to encourage even 'non-reading' children to read. This Green Back Book will boost the confidence of children who have just started to read on their own. Some Beginner Books are simple stories, others are hilarious nonsense: both types have been designed to give children confidence and make them want to go on reading.
