出版者:Artisan

出版时间:2009-11-11

装帧:Hardcover

isbn:9781579653644

In "Italian Rustic", the romance and appeal of the weathered Italian farmhouse is broken down into its practical building blocks. Each chapter focuses on essential elements, from constructing stone walls to designing ceilings and creating pergolas.

Building notes and detailed illustrations provide step-by-step instruction on everything from erecting a chimney from scratch to laying out terra-cotta tile floors. With stunning photos shot on location in Tuscany and Umbria, this user-friendly idea book is essential for adding a touch of rustic Italian style to any home.
