装帧:Hard Cover

isbn:9783902017109

Have a seat – you don’ t want to be caught standing around when 132 pages of explosive, provocative, and aching beautiful panoramic Horizon shots come streaming through your eyes.

This hardcover, double-wide format book represents over 10 years of the Lomographic Society’ s relentless use and worship of the beloved Horizon camera. Color, x-pro, b&w – everything’ s in there, as submitted by 55

individual contributors. Measures 33cm x 13cm (13” x 5”).
