It's okay to need some help. It's okay to be a different colour. It's okay to talk about your feelings. It's okay to make a wish...It's Okay to Be Different cleverly delivers the important messages of acceptance, understanding and confidence in an accessible, child-friendly format featuring Todd Parr's trademark bold, bright colours and silly scenes. Targeted to young children first beginning to read, this book will inspire kids to celebrate their individuality through acceptance of others and self-confidence. Along with the four other bestselling Todd Parr picture books debuting in paperback this season, It's Okay to be Different is designed to encourage early literacy, enhance emotional development, celebrate multiculturalism, and promote character growth.
