Psychologist Alan Gregory has a new patient: Gibbs Storey, whose looks turn grown men into dazzled adolescents. She tells Alan that she thinks her husband, Sterling, may

have murdered one of her friends. Blandly recounting a history of dangerous sexual encounters, Gibbs stuns Alan with another revelation: she thinks there are other victims ...and that her husband will kill again. Struggling with a strict confidentiality agreement, Alan walks a perilous ethical line by revealing just enough to interest his detective friend, Sam Purdy, and start a search for a missing Sterling Storey and a string of innocent victims. But are they too late to stop more killings? Stephen White weaves together threads of a story that is both heartbreaking and truly terrifying. From the deadly danger that stalks Alan's family and career to the risks that Sam Purdy takes with his life, from the bonds that hold men and women together to the betrayals that tear them apart, BLINDED chillingly depicts a shocking evil that no one can see.
