You order a large coffee with milk and two sugars at the drive thru, and wind up with a large black--decaf. You go to save the presentation that's taken you all week to complete--only to discover it's corrupt. Your bank slaps you with a \$25 charge for overdrafting 25 cents... And all you can think is...WTF? Luckily for you, this book fills in the blanks and gives you humorous ideas for what to do when life makes them say, what the f*#!?" Step by step, the authors take readers through inventively therapeutic, sometimes illegal, always hilarious solutions to life's many problematic situations. Whether it happens at the office or at home, out on the town or in the bedroom, life's most f*#!'ed-up situations are covered in this entertaining guide. Rather than turn lemons into lemonade, this book spits lemon juice into life's eye and gives it a good kick to the junk."
