To practice medicine in the United States, medical students are required to take and pass the 3-part United States Medical Licensing Examination (USMLE). When studying for this difficult test, U.S. students as well as foreign students hoping to practice in the United States will benefit from using "USMLE"™ Examination Flashcards: The 200 Diagnosis Questions You Are Most Likely To See on the Exam." This boxed set of flashcards will help students answer the single most common question tested on Steps 2 and 3: What is the most likely diagnosis? Features: 200 color flashcards in laminated 5 x 7 format Questions on one side, and answers on the back
