出版者:Council Oak Books

出版时间:2001-04-09

装帧:Board book

isbn:9781885171597

Beautifully illustrated and filled with enlightening quotes, The Mother's Companion is a supportive, soothing, and sometimes humorous companion for both first-time and experienced mothers. Addressing the profound changes that mothers experience once the baby is born, this book gently reminds them of things they can do to look after

themselves.
