“There’ s something striking on every page of Unpolished Gem.” - Helen Garner

This is an original take on a classic story - how a child of immigrants moves between two cultures. In place of piety and predictability, however, Unpolished Gem offers a vivid and ironic sense of both worlds.

It combines the story of Pung’ s life growing up in suburban Footscray with the inherited stories of the women in her family - stories of madness, survival and heartbreak.

Original and brave, this is a girl’ s own story that introduces an unforgettable voice and captures the experience of Asian immigrants to Australia.
