In the Bestselling Tradition of The Secret :

Master the Universal Laws of Attracting Success

Would you like to learn how to recognize a good opportunity when it presents itself to you? Do you want to discover your true passions and make them work for you? Would you like to find the people in your life who can help you achieve your goals, dreams, and aspirations? Do you find yourself wishing you had more time with your family and friends? If you've been seeking fulfillment and felt that it has always eluded you, these 28 Laws will show you how to stop chasing success and let it chase you. With Thomas Leonard's time-tested, power-packed system, you will learn how to maximize the brilliance and energy you already possess to create a thoroughly satisfying life based on what's best about you. As you apply these 28 Laws, you'll gain the ability to define what success is for you, and learn how to attract the things that matter the most in life.
