Whether you are a beginner exploring your psychic abilities, or a professional looking to fine-tune your skills, this training guide will teach you to understand your clairvoyant capacities better and to reach your full psychic potential. This is a no-nonsense, straightforward approach to becoming the clairvoyant you truly are, without apology or hesitation. The proven author of the popular title "You Are Psychic" motivates students along a path of self-discovery that begins with a fresh and concise breakdown of basic clairvoyant training techniques. Next, Katz provides in-depth answers to all your frequently asked questions about how to discover, harness, and apply your psychic skills through readings as well as healings. You can learn how to get over the fear of doing readings. You can discover how to remote-view objects and events. Katz also teaches how to employ the laws of attraction to overcome challenges and to build a career as an ethical psychic reader and healer.
