In a world quickly becoming more virtual, human relations skills are being lost -- along with the skill of leadership. When you develop your leadership ability through The Dale Carnegie Leadership Mastery Course you'll learn to be flexible, adaptable, and trustworthy, as well as a tough and decisive distributor of power. Learn all the secrets of leadership mastery: \* Gain the respect and admiration of others using little-known secrets of America's most successful leaders. \* Get family, friends, and coworkers to do

what you ask because they want to do it, not because they have to. \* Respond effectively when under crisis using proven techniques for thinking clearly and reducing anxiety under pressure. \* Accomplish twice as much by learning to motivate others to perform at their best. \* Make powerful decisions and follow through on them using Carnegie's action formula.
