Marty Matthews swore she would never allow herself to be drawn into the secret, forbidden pleasures that the women she had grown up with enjoyed. Women whose husbands or lovers were members of the exclusive 'Club', where they took a selected 'third' into their beds. Now, Marty is an FBI agent and her brand new case has put the one man she can't have in her sights. Marty's boss is convinced Khalid is involved in a plot to derail talks between his uncle and the President to strengthen ties between the US and the Middle East, and he wants Marty to get close enough to Khalid to prove it. However, Khalid is a member of the Club and he offers to introduce her to the kind of guilty pleasure Marty swore she would never experience. And even though danger lurks around every corner, there is no way to escape the man who threatens not only her control, but her very heart.
