Not many entrepreneurship books are about an Asian woman and not many Asian journalists have the international profile of May Lee. "May Lee "reflects May Lee's career from a television reporter to the founder and CEO of Lotus Media House Pte. Ltd. as well as the host of "The May Lee Show," the first pan-Asia talk show for modern women. Lee shares her personal story of passion, perseverance, persuasion, and patience. Written by the 'Oprah' of Asia, this inspiring autobiography offers fundamental lessons for aspiring entrepreneurs.
