Savvy crafters know that today's hippest designs hail from Japan. But it's near to impossible to find translated patterns. Or at least it used to be. With "Needle Felting", we're proud to present another book in our "Kyuuto! Japanese Crafts" line. Having enjoyed huge success on its home shores, the book's pages burst with quirky colour photographs, step-by-step directions, and helpful technical illustrations. At last, the ease of English instruction with the appeal of authentic Japanese content.
