isbn:9780462007397

Just Right is a new integrated English language course that combines exciting new ideas with the best of common practice, making it easy for learners to use and simple for teachers to adapt. The features include: integrated grammar, skills and lexical syllabuses; different approaches to suit different learning styles; suitable for both newly-qualified and experienced teachers; and clear and attractive layout and helpful illustrations. This text refers to the paperback edition.
