A range of textbooks and teacher support materials for AS and A level Pre 2008 specification. Biochemistry has been developed specifically for the new specifications for Advanced Level Chemistry for teaching from September 2000. It has been endorsed by OCR for use with the OCR Chemistry specification A. Providing full coverage of the Chemistry option module of the same name. In combination with other books in the series it provides full coverage of the Advanced Level specifications. Self-assessment questions (with answers) and exam-style end-of-chapter exercises offer excellent opportunities for independent study. Chapter introductions and summaries provide the basis for structured revision. Full-colour illustration and student-friendly design make the science accessible to all.
