Is Masonry merely a club created to collect dues and offer light entertainment or is it something far more inspired? Are the Rosicrucians a mythical, nonexistent group or very real seekers of wisdom on a mystical path? Manly Palmer Hall, one of the most enlightened esoteric authors of the 20th century, offers his sage thoughts on the Freemasons and Rosicrucians in this collection of thought-provoking essays. Includes The Lost Keys of Freemasonry, Freemasonic Symbolism, Rosicrucian and Masonic Origins and more.
